KidDanceCaravan

Kid Dance Caravan is offering a unique Dance and Performance program for both boys and girls ages 3 thru K. The once a week class will consist of ballet, tap and jazz for the girls and a combination of modified tap and hip-hop for the boys. The Spring Session will run January through May and will cost **\$185**.

We will follow all Covid protocols (masking, class/pods, social distancing, etc). This may limit us as to the number of dancers in each class/pod. During this time period we will be holding classes with girls and boys combined, where necessary. In the case of school shutdowns all classes will be provided virtually; we are unable offer refunds.

You will have an opportunity to see your child perform in a dance recital*. The shows are a wonderful self-esteem booster and a great experience. There are no admission fees and cameras/video recorders are welcomed. For any further information you may need, check out our website and all social media outlets!
